

**To schedule an appointment in the Seating and Mobility Clinic:**

Obtain physician referral

If you are a new patient, you will also need a History & Physical note

Fax the above stated documents to 404-350-7356 .  
Be sure to include your contact information

A scheduler will call you. If you are not contacted within 72 hours, please call 404-352-2020. Ask for outpatient scheduling.

If you have Medicaid, please "click" here for additional information.

You will need to indicate an equipment supplier (a company that sells wheelchairs).

- If you know the name of this company, please inform the scheduler when they call you
- If you do not have a supplier, you will be contacted prior to your appointment

Your supplier will then be contacted for you to ensure they are present for your appointment.
