

After your appointment

We will obtain your physician's approval of our recommendations.

The signed report from your evaluation will be sent to your equipment supplier

Your equipment supplier will ask your insurance company for approval
•This may 4-6 weeks

Your supplier will contact you and then order all of the equipment.
•This may take an additional 4-6 weeks

Your supplier will notify you once your equipment is ready to be delivered

You will then be asked to make a follow-up appointment at the Seating Clinic for fitting, adjustments, and training
